We offer Customized Solutions

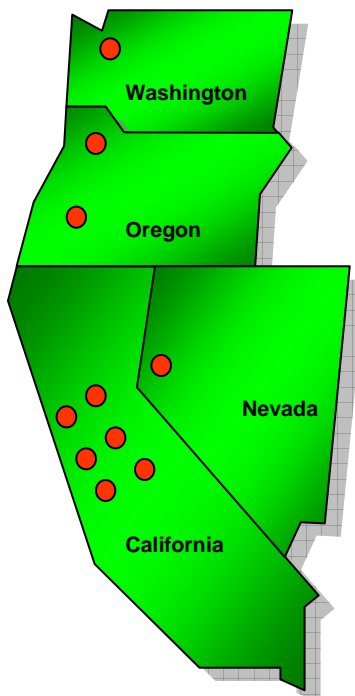

Product Support, Facilities, Energy, Material Handling, Fleet Management, Human Resources, Technology, and Environmental Sustainability

Pacific Material Handling Solutions, Inc. (PMHSI) was founded in 1993 and is a privately owned fleet management and material handling dealership headquartered in Hayward, CA. We have branch operations throughout Northern California, Northern Nevada, Oregon, and Washington.

We are a company which values education because we believe education stimulates imagination. It is this imaginative atmosphere that stimulates the development of new ideas, skills, products and processes to provide real solutions to our customers. Execution of real solutions improves performance and sustainability for our customers.

We operate within a structured environment with well thought out policies and processes to ensure consistent results. We are committed to growing our business, providing quality benefits and opportunities for our associates.

We promote social responsibility and give back to our local communities. At Pacific Material Handling Solutions, Inc. we provide the highest level of excellence in customer satisfaction.
